### PALM BRANCHES

We place at the cross today the palm branches that welcomed Jesus as He rode into Jerusalem. The crowd shouting, "Hosanna!" expecting to be saved by a great hero and proclaiming, "You are our King. But the crowd turned it into a political parade.

LORD, we look to victory over sin, not over political powers. We know that You are our King. We lay our lives before You in Your service. We believe that You have the victory.

AMEN
